## SCOPE PERMIT NOT ${f E}S$

Pls advise that a
Operations Section of the Watch Office, called at 05/0645Z
$(05/0245 \; \mathrm{EDT})$ to advise us that he had just seen the "UPI $013$
press release regarding a missing SR-71 type aircraft." He
wanted to know if we "were aware of this info" and asked "do
the Director know?" I advised we were aware of this and tha
the Director was briefed by either Mr. Carl Duckett or perha
He further inquired if I knew "where it was lost.
I told him approx 600 mi South of Kadena and 500 mi East of
Manila. I told him that what he was seeing was the press rel
made by the Kadena PIO to various news medianow filtering
through or coming from sources (SAFOI) in Washington. I re
main Hqs send all UPI and AP press releases they receive.
First two came in at 05/0800Z (0400 EDT).
